Davenport Spa & Salon Earns 2020 Forbes Travel Guide Four-Star Award

(Spokane, WA) -

The Davenport Spa & Salon is excited to announce the honor of the 2020 Forbes Travel Guide Four-Star Award. This prestigious award will be showcased with all of the Star Rating recipients on ForbesTravelGuide.com starting today.

“We are ecstatic to once again be recognized by the iconic Forbes Travel Guide for our state-of-the-art spa,” says Lynnelle Caudill, the Davenport’s Managing Director. “The rich history of our hotel along with the talent of our spa team has allowed us to continue impressing guests both near and far. We are truly fulfilling the words of Louis Davenport himself from 1914: ‘We hope to so well please our guests that they will be glad they came, sorry to leave and eager to return.’”

A Forbes Four Star rating is reserved for exceptional properties, offering high levels of service and quality of the facility to match. “Our talented spa team has continuously stayed ahead of the latest spa, wellness and beauty trends,” says Spa Director, Jackie Fernandez. “My talented team is dedicated to not only providing the highest level of service to our spa guests, but to have them leave the facility feeling better than when they walked in. This prestigious award is one that we are delighted to earn for yet another year.”

“We have been committed to championing genuine Five-Star service for more than 60 years, and this year’s winners, as always, exemplify the very highest standards in hospitality,” said Filip Boyen, CEO of Forbes Travel Guide. “It is difficult to earn a Forbes Travel Guide rating, and all our Star-Rated winners have shown how incredibly deserving they are of their accolades by demonstrating sheer dedication in their passion for service. We congratulate them all.”

With soaring architecture and a rich history, the Historic Davenport Hotel has earned a reputation as Spokane's most majestic hotel with one of the best spas in the state. The Grecian-designed spa offers a wide array of luxurious services, including body treatments, facial and beauty services, manicures, pedicures and hair services. A sanctuary of rejuvenation and relaxation, the spa is equipped with four pedicure stations, four manicure stations, three hair stations and eleven treatment rooms, in which three are esthetics rooms, two are couples' massage rooms, one is a wet room for treatment and five are regular massage therapy rooms.

The Davenport Spa & Salon uses award-winning products in all of their deluxe services, including Eminence Organic Skincare, Voya, Davines, Morrocanoil and many more. These products are also available for purchase in the Spa Retail Shop.
