### **LIGHTING UP THE NIGHT FOR A CAUSE: DAVENPORT HOTELS PARTNERS WITH BIG TABLE**

**Spokane, Washington (November 7, 2025)** – During this year’s Pacific Northwest Food & Wine Festival, Davenport Hotels came together to celebrate not only the region’s finest food and wine — but also the heart of the hospitality community itself. Through a special partnership with Big Table Spokane, festival guests had the opportunity to “light up the night — and change a life.”

Throughout the weekend, guests were invited to purchase a raffle ticket to support Big Table’s incredible mission of caring for hospitality and restaurant workers in crisis. Each ticket came with a glowing light-up ring, a bright symbol of hope and solidarity that could be seen sparkling throughout the festival. Participants were entered for a chance to win an unforgettable stay in the Presidential Suite at The Davenport Grand Hotel, complete with a \$250 food & beverage credit.

Thanks to the generosity of our guests and community, over \$4,000 was raised to directly support Big Table Spokane and their life-changing work. From helping hospitality professionals navigate unexpected medical bills to providing stability during personal hardships, Big Table continues to be a beacon of compassion for those who dedicate their careers to serving others.

As a proud member of Spokane’s hospitality community, Davenport Hotels is honored to support Big Table’s mission and the people who make our industry shine. Together, we believe that when we care for those who care for others, everyone’s light shines a little brighter.
